

### US LAM and Rare Lung Diseases Clinics and Research Networks

The LAM Foundation seeks to help improve the care and treatment of all LAM patients. Toward this end, we have a program to develop regional LAM Clinics throughout the world. The objective of The LAM Foundation Clinic and Research Network is to focus LAM care to medical institutions or hospitals that have the interest and expertise to deliver state of the art, coordinated, multidisciplinary LAM care, and to perform cooperative research with other LAM clinics.

Location	Institution	Clinic Director	Phone Number
Alabama, Birmingham	University of Alabama at Birmingham (UAB)	Joseph Barney, MD	205-996-5864
Arizona, Phoenix	St. Joseph's Hospital and Medical Center	Sofya Tokman, MD Rajat Walia, MD	602-406-8187
California, Los Angeles	University of California	Ariss DerHovanesian, MD Joseph Lynch, MD Elinor Lee, MD	310-206-9149
California, Los Angeles	Keck Medicine of USC	Richard Lubman, MD	323-442-9590
California, San Diego	University of California	Bernie Sunwoo, MD	855-355-5864
California, San Francisco	University of California	Rupal Shah, MD Paul Wolters, MD	415-353-2577
